The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills are likely to be.

DESCRIPTION

A spacious 2nd floor flat conveniently located in Llandudno Town Centre, refurbished to a high modern specification.

The property has the benefit of double glazing and gas central heating. A modern fully fitted kitchen complete with an electric cooker.

Two double bedrooms, lounge with original Victorian cast iron fireplace, contemporary bathroom with electric shower over the bath.
